Healthcare Providers

2.5K

Automate **service agreements**, track **SLA delivery**, and coordinate recurring **patient-facing operations**

PAIN

Manual renewals and service lapses disrupt care operations

CRITERIA

- Multi-site care provider
- Recurring service contracts
- Operations-led procurement

Apollo Health and Lifestyle

KIMS Hospitals

Vijaya Diagnostic Centre

Sushruta Hospital

Yashoda Hospitals

Manufacturing Suppliers

1.8K

Manage **vendor agreements**, monitor **service SLAs**, and reduce missed **maintenance commitments**

PAIN

Equipment and service commitments are hard to track across vendors

CRITERIA

- Plant-based operations
- Multiple vendor contracts
- Maintenance-heavy workflows

Bharat Forge

Aurobindo Pharma

Granules India

KCP Limited

Pennar Industries

Wellness Chains

1.4K

Standardize **membership agreements**, automate **renewals**, and keep recurring **service terms** visible

PAIN

Membership renewals and service terms get handled inconsistently

CRITERIA

- Multi-location wellness brand
- Membership-based revenue
- Front-desk operations

Healthcare Service Vendors

900

Track **recurring contracts**, enforce **delivery SLAs**, and streamline **provider compliance**

PAIN

Service teams miss obligations and approvals across accounts

CRITERIA

- B2B healthcare services
- Recurring client retainers
- Compliance-sensitive delivery
